

Mark Burns-Williamson Listening To You First

As your Police and Crime Commissioner I need to:

- **Set the Police Budget**
- **Determine the priorities in the Police and Crime Plan**

I want to hear about *YOUR* priorities. Working together, we can make sure your views are reflected.

Please visit:

www.westyorkshire-pcc.gov.uk

to access the on-line survey.

If you would like a paper survey, please call my team on:

***Make sure YOUR voice is heard,
let's make these decisions together.***
