

Our Attendance team meets fortnightly to discuss attendance across the whole school.

Individual circumstances are taken into consideration eg. Specific illness/medical matter, family circumstances, time of year, previous attendance record

We use the following as a general guide:

Attendance less than 90% - monitored

Persistent less than 90% - school reminder letter

Persistent less than 90% and a downward trend - school meeting

Persistent less than 90 % and continued downward trend – refer to APSO
