Dear Parent/Carer

The Willows Day Nursery provides Before & After School Clubs within St Thomas Primary School. We are a long-established business in the Rastrick area and we also run an After School Club at Carr Green Junior & Infant School and Before & After School Clubs at Shelf Junior & Infant School.

The clubs at St Thomas are based in the school hall with access via the hall door at the front of the school where a dedicated doorbell is provided. The Willows team includes members of staff from school who are also employed by us to work in the clubs. Please be aware that the clubs are NOT run by school. If you require a place for mornings, afternoons or both, please contact the Willows Team on 01484 715 676 or email info@willowsdn.co.uk.

We can only admit children who attend St Thomas and this is only after a registration form has been fully filled in. We can arrange flexible contracts where you email or ring a week in advance and book days in as and when needed or we can set up a contract for the same days each week.

Please note the club cannot be used as a 'Drop In' because parents/carers are running late to pick up children from school.

The club operates Monday – Friday, 7am until school time when the staff ensure the children go to their designated classrooms. At the end of the day staff collect younger children from their classroom and older children are met at the inner hall doors. All children need to be collected from the club by 6pm.

Prices are: -

- £7.50 for breakfast club
- £5.50 school finish until 4.30pm
- £9.50 school finish until 6pm

If you require any more information or a booking form please email or give us a call.

Yours sincerely

Donna Whitwam
Nursery Manager
